EDUCATION

B.Tech. Computer Science (Pursuing)

Rajiv Gandhi Proudyogiki Vishwavidyalaya

⌚ July 2018 – June 2022 India

- Data Structures and Algorithms
- Programming (C/C++, Java, Python)
- Operating System
- Computer Architecture
- TOC & CD
- Networking
- Project Management

Higher Secondary Education

Central Board of Secondary Education (CBSE)

⌚ July 2016 – June 2018 India

- Mathematics
- Physics
- Chemistry
- Computer Science

ACHIEVEMENTS

- Hackathon 1st Rank (GNCSGI) 2020
- GCP Certificates
- TTK Mathematics Olympiad Winner 2019
- SWS Best Presentation Award 2018

SKILLS

Platform Skills

- GCP (Google Cloud Platform)
- Unix/Linux Administration

Programming Skills

- Java
- Python
- C/ C++
- MySQL
- MongoDB
- JavaScript, HTML, CSS
- Big Query
- Machine Learning
- AI
- Data Structure & Algorithms

Cloud Skills

- Cloud Engineering
- Cloud Development
- Cloud Logging
- Cloud SQL
- Big Query with Cloud
- DevOps (Basic)
- API & other basic cloud tech.

PROFILES

- [Google Cloud Training](#) (click here)
- [Github](#) (click here)

CERTIFICATIONS

- Linux Administration (Udemy)
- JAVA (Udemy)
- Mongo DB (Udemy)
- SQL (Udemy)
- JAVA (HackerRank)
- Python (HackerRank)

Other Skills

- Listening
- Storytelling
- Critical Thinking
- Conflict resolution
- Team Work

About Me-

I always wanted to become a scientist, I started programming when I was 16, after two years I successfully completed my school with very good grades and went to college for further studies. I always wanted to study in Germany, and yes, I will move to Germany for doing Masters in CS, after my B.Tech. Program.
